AURIESVILLE - BLESSINGS & GRATITUDE

We would like to thank all who prepared, attended, and supported this year’s Pilgrimage. We walked 45 miles in 3 day! Approximately a few hundred pilgrims participated. God blessed us with beautiful weather on the first two days. The third day, the rain was sent to give us all an opportunity to offer it up as a penance. The spirit was high and fruitful! We sincerely thank the seminarians and the sisters who were able to attend.

We truly appreciate all the feedback, and ask for you to continue to reach out with your thoughts. We ask you to be honest in your feedback and be generous with your suggestions. We know the pace was brisk and we will discuss how to modify it for next year.

All your comments (pros & cons) will help us to make next year’s pilgrimage an even better success. Please send all your feedback to auriesville@sspx.org. We have a meeting set up to discuss next year. Anyone who helped in the preparations or executions, please plan to attend this meeting. If you are willing to help in the future, you are also encouraged to attend.

Meeting: Thursday, October 22nd in Room 112 from 7:15 to 8:30 pm

CHURCH BUILDING PROJECT UPDATE

Dear Parishioners, we would like to provide an important update regarding the Church Building Project and the steps necessary to move the project forward.

Recent Meetings: This past week, a meeting was held with SSPX District personnel to review the current status of the project and its financing. The outcome of that discussion is reflected in the update below. Our local Building Committee also met with the General Contractor to review the project and discuss potential next steps. Additional information from that meeting will be provided in a future update. Given our current funding position, we are also evaluating options for staging the project in phases, if necessary, to align construction with available funds.

Current Financial Status: At this time, BVM Parish is not demonstrating a sufficient level of recurring monthly Building Fund contributions to support the loan payment necessary to complete the project. We anticipate needing approximately a \$2 million loan, which would require a payment of approximately \$20,000 per month. Our current Building Fund contributions do not yet demonstrate the recurring monthly income necessary to support that payment. The good news is that once we can demonstrate, through documented pledges and ongoing contributions, the amount the parish can consistently support each month, financing can be considered based on that demonstrated level of support. The future of this project is in our hands. Our collective commitment as a parish will determine our ability to move forward.

November 1 Parish Open House: We will hold a Church Building Project Open House on Sunday, November 1, the Feast of All Saints, in Room 112 following each morning Mass. We are asking every parish family, including single adults, to participate and help us accomplish the following: Update your parish census information¹. Every family and single adult should have an updated census form completed by November 1. Forms will be available outside the chapel following Mass this week. Please place your completed form in the office mailbox located outside Fr. Boyle’s office. Complete an updated pledge commitment form². New pledge forms will be available at the November 1 meeting. We need current pledge commitments from our parishioners to demonstrate to the SSPX U.S. District that the parish can support the required loan payments. Confirm recent pledges. Even if you recently made a pledge, we ask that you complete the new pledge form so that we have an accurate and complete record of all commitments. Update or restructure an existing pledge if necessary³. The November 1 meeting will provide an opportunity to make any needed adjustments to your commitment. Let us know what you can contribute. We are asking every potential donor to prayerfully consider what he or she can commit to the Church Capital Campaign. Project updates will be provided at the meeting, and all questions are welcome. We will also review the various ways to contribute and explain which methods are most efficient and beneficial to the project. Our goal is to provide the SSPX Superiors by November 15 with sufficient documentation demonstrating that the parish can support the approximately \$20,000 monthly loan payment. Our ability to move forward with the necessary financing will depend upon the level of support demonstrated through these documented pledge commitments and ongoing contributions.

Questions and Communications: Please direct questions, comments, or inquiries regarding the Church Building Project to: bvmcapitalprojects@sspx.org
You are also always welcome to speak directly with Fr. Boyle regarding the project or any other parish matter.
